25 SEP. 1936

SIR,

Appointment of an Officer of the grade of Taluk Sheristedar in the Sringeri Jahgir.

I have the honor to forward herewith a copy of letter dated 23rd June 1936 from the Deputy Commissioner, Kadur District, recommending that an officer in permanent Government service in Rs.60-4-80 grade may be deputed to work as Taluk Sheristedar in the Sringeri Taluk Office and that he may be entrusted with the work of the Sub Registry Office in addition to functioning as an Executive Officer of the Municipality.

2. The Inspector-General of Registration who was consulted in the matter, states that if a person in the permanent service of Government is deputed to do the Registration work, he is quite agreeable to pay him an allowance of Rs 10 per mensem. The Municipal Council of Sringeri are also agreeable to contribute Rs 20 a month towards the pay of the Taluk Sheristedar by transferring the Sanitary Registry now borne on its establishment to some other place. The balance of pay of the Taluk Sheristedar will, as proposed by the Deputy Commissioner, be met by abolishing the post of the Jahgir official who is now designated as Sheristedar.

3. As the appointment of an officer of the Taluk Sheristedar's grade will be helpful in the revenue administration of the Jahgir villages and as the permanent retention of the Sub Registry Office at Sringeri is necessary, I request that sanction of Government to the Deputy Commissioner's proposals may be obtained early. On receipt of orders, a -----

[illegible] assistant official will be selected and posted.

I have the honor to be,

Sir,

your most obedient servant,

have the honor to state that consequent on the abolition of the post of the Deputy Amildar of Sringeri since the latter part of February 1935, th work of the Sub Registry Office has been entrusted to the Amildar of Koppa Taluk, who goes to Sringeri once a week and attends to the Registration work This arrangement cannot be allowed to continue permanently without prejudice to the Amildar's work. He cannot also be expected to go to Sringeri very frequently. The public are, therefore, put to considerable difficulty. The abolition of the Sub Registry Office at Sringeri, which has been under ~~zonza~~ contemplation is also not desirable as people cannot go to Koppa for registr tion purposes alone especially during the monsoon season.

3. Government have since taken over the management of the Sringeri Jahgir and have appointed an officer of the grade of an Assistant Commissioner to administer the affairs of the Mutt. This officer has also been appointed as Ex-officio President of the Municipal Council. The Officer-in-Charge has not been given the help of an executive subordinate to carry out the work connec with the sanitation of the Municipality.

3. On the revenue side also he has no satisfactory executive subordinate w o could attend to collection and other work connected with the recently introduced Village Panchayet Scheme in the Jahgir Taluk. There is, however, one man known as Jahgir Sheristedar on a pay of Rs 40, but, as he is a local man and has local interests, the Special Officer cannot naturally depend on his honesty and straightforwardness. In fact he seems to be more a handicap than a help to the Special Officer. I, therefore, propose that an officer in the grade of Rs 60-4-80 should be deputed to work as Taluk Sheristedar in the Jahgir Taluk and he may be entrusted with the Registration work. He will als function as an Executive Officer of the Municipality and will thus be of considerable help to the Special Officer.

4. The Municipality will quite willingl pay Rs 20 w towards the pay of the proposed Taluk Sheristedar for the discharge of executive work and the Registration Department will pay Rs 10 allowance to the proposed official. The abolition of the post of the Jahgir official who now functions as Sheristedar will result n a savings of Rs 40 which may be allotted towards the salary of the proposed Taluk Sheristedar. The Mutt will not be required to bear any extra cost to meet the pay of the proposed official.

5. I, therefore, request that sanction of Government may kindly be obtained

to the proposal made as this will result in more efficient
the Jahgir. I have also consulted the Special Officer and he too
agreeable to the proposed arrangement.

I request the favour of early orders in the matter.
